General Services Administration

GSA Motor Vehicle Management Value Proposition

Right Vehicle

Right Price

Great Service

and the data required to effectively
and efficiently manage a fleet.

Today, Let's Discuss....

- Our Mission – What Can GSA Do For YOU
- Vehicle Products, Services & Procurement Services
- Purchase Customer Solutions: Vehicle Engineering, Program Management & Quality Assurance
- Important Information for Order Placement

GSA's Authority

- In accordance with the Federal Property Management Regulation, GSA is a mandatory source for all non-tactical vehicles purchased by executive agencies in the United States. See 41 C.F.R. 101-26.501-1. In that regard, GSA establishes contracts in accordance with the Federal Acquisition Regulation (FAR) for a variety of vehicles against which Federal agencies can place orders for motor vehicles.

Being Mandatory doesn't compromise our level of service to YOU the customer

Purchase Division – Services We Provide

- Vehicle Engineering Services –
Dan Buckingham, Branch Chief
- Program Management/Customer Service –
